FORM FOR SUPERCOMPUTING ACCESS FOR NON-IISc USERS

Please fill this form and send it along with the DD (in favour of "The Registrar, Indian Institute of Science") to Chair, Supercomputer Education and Research Centre, Indian Institute of Science, Bangalore – 560012. Please mark your envelope with "Request for Computational Usage". Please note that it is mandatory to acknowledge the HPC facility at SERC, IISc on any publication that have used the HPC resources.

User Rates (Additional charges: GST @18% apply)

Sl. No.	SERC Facility	Maximum Usage	Other Academic Organizations	Government R&D Labs
1	SahasraT Cray XC40 system. CPU.	Up to (6000x24x30) core hours usage per month	Rs. 1 per core hour	Rs. 2 per core hour
2	SahasraT Cray XC40 system. GPU.	Up to (4x24x30) GPU hours usage per month	Rs. 6 per GPU hour	Rs 12 per GPU hour
3	SahasraT Cray XC40 system. Intel KNL.	Up to (4x24x30) KNL hours usage per month	Rs. 6 per KNL hour	Rs 12 per KNL hour
4	NVIDIA DGX – 1 system	Up to (1x6x30) GPU hours usage per month	Rs. 35 per GPU hour	Rs. 85 per GPU hour

Terms & Conditions:

1. The proposal and the payment is for the usage of up to three months. Only one proposal per user will be enabled at a time.
2. The user can request up to the limits mentioned in the above table. The actual allocation will depend on the demand at the time of the request.
3. The computations for the amount paid will have to be carried within (three months plus grace period of one month). Under no circumstances, any part of the amount will be refunded.
4. 10% of the overall requirement will be provided for free. This can be used for testing and debugging.
5. The computations cannot be used for space and defense research.
6. The computations cannot be for commercial purposes including development of commercial products.
7. The account will be disabled either at the end of four months (if computations not performed) or at the end of the computations exhausted against the amount paid.
8. It is the user's responsibility to remove the data within five days of the disabling of the account.
9. The user will duly acknowledge the use of the HPC facility in any publications that have used SERC, IISc HPC resources.
10. The user also agrees to submit a 3-page half-yearly report on the project which uses the HPC facility at SERC.
