FORM FOR SUPERCOMPUTING ACCESS FOR NON-IISc USERS

Please fill out this form and send it along with your DD (in favour of "The Registrar, Indian Institute of Science") to the address below. Please note that it is mandatory to acknowledge the HPC facility at SERC, IISc on any publication that have used the HPC resources.

User Rates (Additional charges: GST @18% apply)

SERC Facility	Other Academic Organizations	Government R&D Labs	Industry
Param Pravega system. CPU.	96 paise per core hour	Rs. 2 per core hour	Rs. 2.5 per core hour
Param Pravega system. GPU.	Rs. 42 per GPU hour	Rs 50 per GPU hour	Rs. 150 per GPU hour
NVIDIA DGX – 1 system	Rs. 35 per GPU hour	Rs. 50 per GPU hour	Rs. 150 per GPU hour

Terms & Conditions:

1. Only one proposal per user will be enabled at a time.
2. The maximum computational limit per user is 36 GPU hours on the NVIDIA DGX-1 cluster.
3. The actual allocation will depend on the demand at the time of the request.
4. The computations for the amount paid will have to be carried within the time stipulated in the proposal by the user. Under no circumstances, any part of the amount will be refunded.
5. 10% of the overall requirement will be provided for free. This can be used for testing and debugging.
6. No guarantees are given on the permanence of the data. It is the user's responsibility to remove the data from the system once the computations are completed.
7. The user explicitly certifies that any software he builds and uses on SERC facilities in his home area is entirely his property or is legally licensed to use such software.
8. The user will duly acknowledge the use of the HPC facility in any publications that have used SERC, IISc HPC resources.
9. The user also agrees to submit a 3-page half-yearly report on the project which uses the HPC facility at SERC.
10. When the user raises a request for consulting support, he/she agrees to provide access to the software, scripts etc in his home area to System Administrators of IISc or IISc's vendors solely for such support.
11. User agrees that IISc will have access to all code, data and other files in User's home area and can provide access by IISc's vendors and Law Enforcement agencies to the same in response to a legitimate law enforcement request.

☐ I agree to the above terms and conditions
